

**MOSS VALE COMMUNITY GARDEN invites you to our upcoming
OPEN SUNDAY – 3rd MARCH, 2019**

We will be opening our gates from 10am until 1pm on the first Sunday of each month in 2019 for anyone in the community who would like to come along and see what we do, tour the community garden, and get involved with activities on the day.

So, if you are unable to come down on our usual opening days of Monday and Thursday, why not call in, dressed to garden, and get involved with our regular garden activities whilst learning how to grow food organically? Activities may include everything from sowing seed, transplanting seedlings, worm farm management, watering, making compost, pruning, harvesting, mulching garden beds and weeding.

We also do quite a bit of chatting and information sharing during the activities.

This month, **Jo Dodd** of **Quarter Acre Farm** in Mittagong has kindly offered to give us a talk on *“Edible Flowers - Which Ones and How to Use in the Kitchen.”*

Simple morning tea provided. *Don't forget your gloves, hat and suitable footwear!!*

ALL WELCOME!
